

Background

At Unity Compass (UC), we specialize in IT and Business Consulting, providing Staffing, Recruitment, and Proposal Development services for Commercial and Federal clients. We are dedicated to delivering results, ensuring lasting partnerships, and driving innovation and quality across every project.

Values

We provide our customers with tailored solutions that drive efficiency, innovation, & growth. We combine industry expertise with a client-first approach to deliver high- quality IT & Business Consulting services. From strategic staffing and recruitment to comprehensive proposal development, we ensure clients have the right talent, tools, and insights to achieve their goals. We add value through reliability, transparency, & a deep commitment to long-term success.

Goal

Our goal is to empower businesses with innovative IT & consulting solutions that drive growth and efficiency. We strive to build lasting partnerships, deliver exceptional quality, & stay ahead of industry trends while fostering excellence & supporting the success of our clients & team members.

Our Services

Proposal Development

Our automated and specialized approach streamlines the creation of compliant & competitive proposals at the federal, state, & county levels. With over 10 years of Government Business Development & Capture expertise, we manage the entire RFP process, from opportunity identification & pipeline development to pricing strategy, proposal writing, & submission. Whether you're new to government contracting or seeking to expand your footprint, we ensures precision, compliance, & persuasive responses across executive summaries, technical approaches, project management plans, ultimately helping you stand out & increase your win rate.

Recruitment Services

With over 10 years of experience supporting Small and Medium Enterprises (SMEs) and Government Contractors, Unity Compass provides comprehensive Security Cleared and Non-Cleared Recruitment Services. Our streamlined approach delivers top-tier talent and drives significant cost savings across your government contracts and projects. UC's Recruitment Services offer an innovative, performance driven solution designed to optimize operations, reduce overhead, and enhance workforce agility in the federal sector.
