## WHO ARE WE?

### ▶ BACKGROUND

At **Unity Compass (UC)**, we specialize in IT and Business Consulting, providing Staffing, Recruitment, and Proposal Development services for Commercial and Federal clients. We are dedicated to delivering results, ensuring lasting partnerships, and driving innovation and quality across every project

### ▶ VALUES

We provide our customers with tailored solutions that drive efficiency, innovation, and growth. Our team combines industry expertise with a client-first approach to deliver high-quality IT and Business Consulting services. From strategic staffing and recruitment to comprehensive proposal development, we ensure our clients have the right talent, tools, and insights to achieve their goals. We add value through reliability, transparency, and a deep commitment to long-term success.

### ▶ GOALS

Our goal is to empower businesses with innovative IT and consulting solutions that drive growth and efficiency. We strive to build lasting partnerships, deliver exceptional quality, and stay ahead of industry trends while fostering excellence and supporting the success of our clients and team members.

# OUR SERVICES

## PROPOSAL DEVELOPMENT SERVICES

**Unity Compass'** automated and specialized approach streamlines the creation of compliant and competitive proposals at the federal, state, and county levels. With over 10 years of Government Business Development and Capture expertise, we manage the entire RFP process, from opportunity identification and pipeline development to pricing strategy, proposal writing, and submission. Whether you're new to government contracting or seeking to expand your footprint, **Unity Compass** ensures precision, compliance, and persuasive responses across executive summaries, technical approaches, project management plans, and more, ultimately helping you stand out and increase your win rate.

## RECRUITMENT SERVICES

With over 10 years of experience supporting Small and Medium Enterprises (SMEs) and Government Contractors, **Unity Compass** provides comprehensive Security Cleared and Non-Cleared Recruitment Services. Our streamlined approach delivers top-tier talent and drives significant cost savings across your government contracts and projects. UC's Recruitment Services offer an innovative, performance-driven solution designed to optimize operations, reduce overhead, and enhance workforce agility in the federal sector.

## STAFFING

At **Unity Compass**, we are dedicated to helping businesses thrive by connecting them with top-tier talent. As a trusted partner in staffing, we specialize in providing customized solutions that align perfectly with your organization's goals and culture. Whether you require temporary, permanent, or project-based staffing, our services are designed to meet your unique needs.

## IT AND BUSINESS CONSULTING SOLUTIONS

At **Unity Compass**, we deliver innovative Information Technology and Business Consulting services that empower organizations to achieve their goals with confidence. With a strong focus on tailored solutions and measurable impact, we partner closely with clients to address their unique challenges, optimize performance, and drive sustainable success.
